Anonymous: I dont know what a quote might be made up of

11:48 PM there are so many problems with the way that is done

me: go ahead and e-mail me with a general statement when you have a moment
and then I'll likely ask you some questions

Anonymous: there are no members, im not prominent, im not doing anything
with this because i have a big long past

me: I know, just start off with something specific and I'll follow-up with you

Anonymous: and so on

I am so sorry -- I'd put in what we agreed and completely failed to notice that it got changed during editing. I should have checked. Profuse apologies. - Ravi

12:23 AM **Anonymous:** He says he actually sent in what we had talked about and the editor changed it

he is trying to call them to get an edit before print, but it goes out tomorrow so it might be to late

me: very possible

I mean possible that editor fucked it up

12:24 AM you'd be amazed
